

SCHEDULE OF FEES & UNINSURED SERVICES

1CLINIC is committed to providing you with the best medical care promptly in a friendly and professional environment. However, there are services that you may request from your physician that are not considered medically necessary by Ontario Health Insurance Plan (OHIP) and are therefore **NOT paid by OHIP**.

These services, such as, insurance forms, legal letters, sick notes, etc., are called “**uninsured services**”. 1CLINIC will charge for uninsured services in accordance with the fees guidelines set by the Ontario Medical Association (OMA) and the College of Physicians and Surgeons of Ontario (CPSO). These services are billable directly to the patient and payment is due on receipt of the service.
